**PLEASE NOTE:** We have done our best to represent all the CMS product colors accurately online and in print, but the color calibration of computer monitors and printers can vary considerably, so we cannot guarantee your experience. These photographic reproductions are a close representation of our actual colors, but the samples here, as well as in physical samples, vary in color, grain and texture. If precise color accuracy or matching is key to your decision, obtain actual samples from us before making a final decision. CMS is happy to provide the samples you need to make the best possible decision.
